

Together for sustainably attractive façades.

Follow these tips from and for specialists!

TOO FEW BRICKS ORDERED?

Do not process the bricks completely, merge with the next shipment.

ORDER

- Order everything at once.
- Order **ENOUGH**.

Safety rules

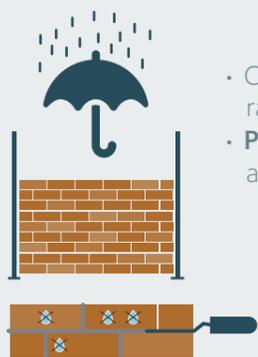

CHECK

- Processing = **Approval of the bricks**.
- Protect against rain.

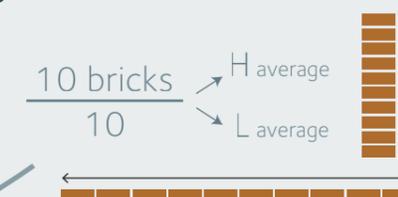

PROTECT

- Cover freshly processed masonry or protect it from rain.
- **Pointing works/coloured mortar**: not in freezing and rainy weather. Only on dry masonry.

MEASURE

- Check the average dimensions.

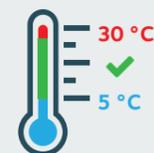

BUILD

- Do not add more water to the mortar or coloured mortar than indicated.
- Do not process **wet** bricks.

• 5 °C < **OK** < 30 °C

MIX

- Mix vertically from **different packs**.
- Pay attention to the correct colour ratio.
